

COMPANY PROFILE

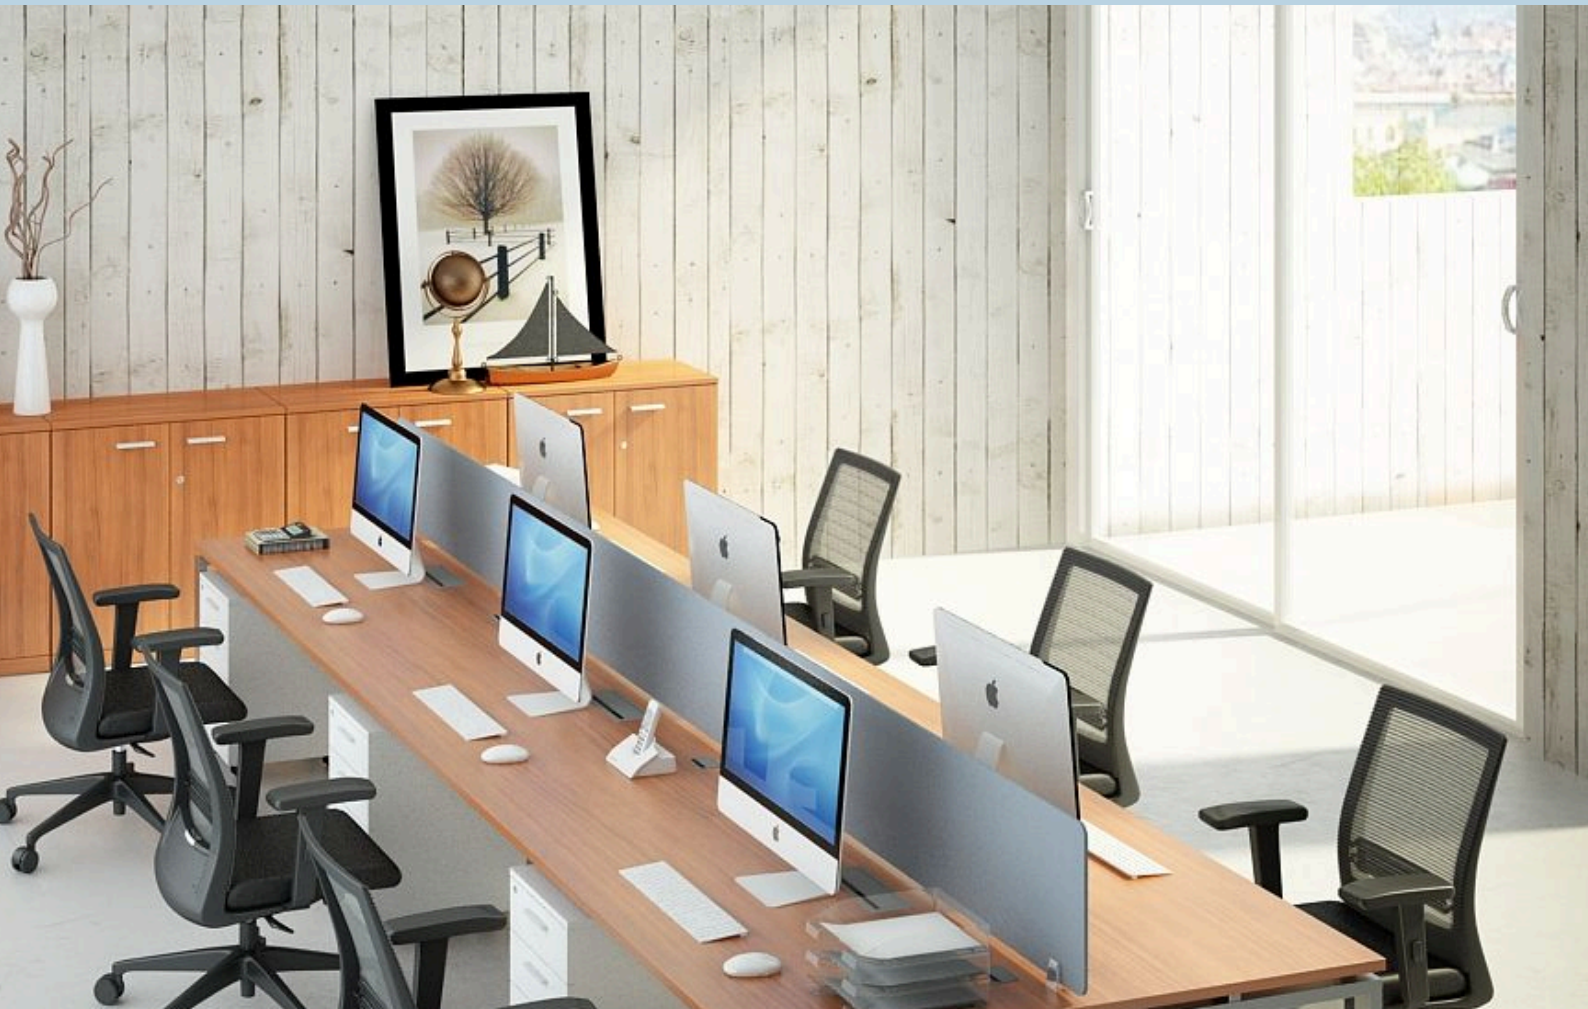

COMPANY INTRODUCTION

United Sea Agency was founded with a vision to simplify global shipping. Over the years, we have developed into a leading shipping agent, delivering unmatched services in container management, trading, transportation, and logistics support.

We operate on the belief that every container is not just cargo — it's business growth on the move. By combining global reach with strong local expertise, we bridge gaps between businesses and markets.

We also provide reliable container maintenance and repair solutions, ensuring that every shipment moves safely, efficiently, and without delays.

Mission

To deliver cost-effective, transparent, and efficient logistics solutions that strengthen global trade for our clients.

Vision

To be recognized as the most trusted container logistics partner, known for service excellence and innovation.

Core Values

- **Integrity** – Building trust through honesty.
- **Reliability** – Consistent, on-time service.
- **Innovation** – Adopting modern technology to add value.
- **Customer Focus** – Solutions tailored to client needs.
- **Commitment** – Standing by our promises at every step.

SHIPPING AGENT

As a trusted Shipping Agent, we provide comprehensive services to ensure smooth vessel and cargo operations at all major ports.

Our experienced team delivers reliable solutions with a focus on efficiency, compliance, and customer satisfaction.

- **Port Agency Services:** Complete coordination for vessel arrival, berthing, and departure.
- **Cargo Handling:** Supervision of loading/unloading, documentation, and customs formalities.
- **Crew & Vessel Support:** Crew changes, supply arrangements, bunkering, and repair coordination.
- **Regulatory Compliance:** Liaison with port authorities, customs, and other regulatory bodies.
- **24/7 Assistance:** Round-the-clock operational support to meet client requirements.

With a strong local presence and global network, we ensure cost-effective and hassle-free shipping solutions, helping our partners achieve smooth and successful port operations.

NVOCC HANDLING AGENT

We proudly represent leading NVOCCs (Non-Vessel Operating Common Carriers) as their trusted Principal Agent, offering comprehensive shipping and logistics solutions across global trade lanes.

Our expertise ensures seamless coordination, cost efficiency, and reliable customer support.

- **Representation:** Acting as a local partner for international NVOCCs with strong market knowledge and operational excellence.
- **Documentation & Compliance:** Issuance of Bills of Lading, cargo manifests, and adherence to regulatory requirements.
- **Sales & Marketing:** Promoting NVOCC services, developing strong customer relationships, and expanding market reach.
- **Operational Support:** Container control, slot management, and vessel coordination.
- **Customer Care:** End-to-end assistance, including booking, tracking, and after-sales support.

With our deep industry knowledge and strong local presence, we deliver professional NVOCC agency services that add value to both principals and customers, ensuring efficient and reliable logistics solutions.

OCEAN FREIGHT

At **UNITED SEA AGENCY** we provide reliable and cost-effective ocean freight solutions tailored to meet the needs of global trade.

With a strong network of shipping lines, agents, and partners worldwide, we ensure smooth cargo movement across all major international trade lanes.

Our Ocean Freight Solutions Include:

- **Full Container Load (FCL):** Direct and secure shipments with flexible scheduling.
- **Less than Container Load (LCL):** Economical option for smaller consignments.
- **Special Equipment:** Handling of Open Top, Flat Rack, and Reefer containers.
- **Door-to-Door Services:** Complete logistics from origin to destination.
- **Customs Clearance & Documentation:** Hassle-free compliance and paperwork support.

Why Choose Us?

- Competitive freight rates with leading carriers
- Efficient transit times and space guarantees
- End-to-end visibility and cargo tracking
- Dedicated customer support team
- Expertise in handling diverse industries (textile, FMCG, chemicals, machinery, etc.)

AIR FREIGHT SERVICES

At **UNITED SEA AGENCY**, we understand the importance of speed and reliability in global trade.

Our air freight solutions are designed to ensure your cargo reaches its destination quickly, safely, and cost-effectively.

Our Air Freight Solutions Include:

- **Express Air Freight:** Time-critical shipments with fastest transit.
- **Consolidated Services:** Economical option for smaller consignments.
- **Door-to-Door Delivery:** Complete pickup and delivery solutions.
- **Charter Services:** Dedicated aircraft for special cargo requirements.
- **Temperature-Controlled Cargo:** Safe transport of perishables and sensitive goods.
- **Customs Clearance & Documentation:** Smooth handling with zero delays.

Why Choose Us?

- Strong global network with leading airlines
- Competitive air freight rates and flexible schedules
- Real-time cargo tracking and updates
- 24/7 dedicated customer support
- Expertise in handling urgent, high-value, and sensitive shipments

LAND TRANSPORTATION

We **UNITED SEA AGENCY** provide reliable and cost-effective land transportation solutions, ensuring smooth movement of cargo across domestic and cross-border routes. With a modern fleet and experienced team, we guarantee safe, timely, and efficient deliveries.

- **Comprehensive Coverage:** Nationwide and cross-border trucking services. Fleet Variety: Trailers, flatbeds, low-beds, and specialized vehicles for all types of cargo.
- **Specialized Handling:** Transportation of containers, bulk cargo, heavy machinery, and project shipments.
- **Efficiency & Safety:** GPS-enabled fleet, trained drivers, and compliance with road safety regulations.
- **Value-Added Support:** Door-to-door delivery, customs clearance assistance, and cargo tracking. Our land transport division is committed to providing flexible, dependable, and customized logistics solutions, ensuring your cargo reaches its destination securely and on time.

EMPTY CONTAINER PARK

Our Empty Container Depot provides reliable, secure, and efficient solutions for handling empty containers. We ensure smooth container management to support shipping lines, freight forwarders, and logistics companies.

Key Features:

- **Secure Storage:** Safe and spacious yard for storing empty containers of all sizes.
- **Efficient Handling:** Modern equipment and experienced staff for quick turnaround.
- **Repair & Maintenance:** On-site facilities for container inspection, repair, and cleaning.
- **Inventory Management:** Advanced tracking system to monitor container availability.
- **Strategic Location:** Easy access to ports, highways, and industrial zones for seamless logistics.

Our Commitment:

We aim to provide cost-effective and professional services that help our clients optimize operations, reduce downtime, and maintain container quality.

REEFER CARGO

Handling

We specialize in the safe and efficient handling of reefer (refrigerated) containers, ensuring your temperature-sensitive cargo is maintained under the best conditions throughout the logistics process.

Key Features:

- **Temperature-Controlled Handling:** Expertise in maintaining cargo integrity for frozen, chilled, and fresh goods.
- **24/7 Monitoring:** Continuous supervision of reefer plug-in points to ensure stable temperature and humidity.
- **Skilled Team:** Experienced staff trained in reefer container handling and monitoring.
- **Preventive Maintenance:** Regular inspection of reefer machinery and equipment to avoid downtime.
- **Location Advantage:** Easy access to major ports and transport hubs for quick delivery and turnaround.

Our Commitment:

We provide reliable reefer handling solutions that protect your perishable goods, reduce risks, and ensure timely deliveries.

ISO TANK Handling

We **UNITED SEA AGENCY** specialize in the safe and efficient handling of ISO Tanks for liquid cargo. Our services are designed to ensure compliance with international standards while delivering reliability and cost-effectiveness to our customers.

- **Global Reach:** Secure transport solutions for bulk liquids, both hazardous and non-hazardous, across international trade lanes.
- **Safety & Compliance:** Operations in line with IMO, ADR, and other international safety regulations, ensuring safe handling at every stage.
- **Versatility:** Suitable for chemicals, food-grade liquids, pharmaceuticals, and industrial products.

Value-Added Services:

- ISO tank leasing and management
- Loading/unloading supervision
- Cleaning, maintenance, and testing facilities
- Storage and repositioning solutions

With our expertise, we provide end-to-end ISO tank logistics solutions tailored to customer needs, ensuring cargo integrity, safety, and timely delivery.
